Minneapolis College of Art and Design

FINANCIAL CERTIFICATION FORM

All international students who hold an F-1 Student Visa or who plan to apply for one must complete this form accurately and return it with the application for admission. We reserve the right to withhold the I-20 until the certification of required funds is received.

A student coming to the United States with insufficient funds to cover expenses will encounter many difficulties. If funds are exhausted after the student enrolls, the College and the U.S. Immigration Service could require that the student’s registration be cancelled and that the student return to the home country.

Please Note: Students on an F-1 Student Visa are not allowed to work off-campus and must attend school full-time during the regular academic year.
