Would you like to provide any additional information that might help us make a decision about whether or not to award a scholarship to your child or teen?

Hearing the positive impact that these scholarships have on families will assist us in future grant applications. Your assistance in this is extremely important. May we contact you with some follow up questions about your experience and/or a testimonial regarding the impact of receiving a scholarship?

- Yes
- No

I understand that by supplying faulty information I am limiting MCAD's ability to provide as many scholarships as possible to deserving families. I therefore certify that I have provided current accurate and truthful information and that, if requested, I am willing to supply the necessary documentation to support my scholarship request.
